3. Housing – Low Income Availability (2015)

In 2001, Affordable Housing Online was founded by David Layfield, an affordable housing professional who realized that low income Americans had nowhere to go online to find information about housing assistance, low income apartments and other affordable housing opportunities. More than 15 years and more than 50 million low income renters helped, Affordable Housing Online provides the most complete database of Federal housing assistance and exhaustive affordable housing data for each state, county and city in America.
