

HOMETOWN HUDDLE

TACKLING HUNGER

Team,

We will be participating in United Way's Hometown Huddle. The theme this year is tackling hunger. One in six children live in a food-insecure household. School breaks should not mean hungry children in our community. Become a real MVP by participating in the Hometown Huddle food drive for children in our community.

If you are able to contribute, the United Way has provided two easy ways to participate this year.

1. Bring your donated food items from the list below to **INSERT WHERE YOU ARE COLLECTING SUPPLIES EX-BREAKROOM** by **INSERT DATE**.
2. Purchase food items on United Way's Amazon Wishlist. The items will be shipped directly to United Way's office. [Click here](#) to view the Amazon Wishlist.

Hometown Huddle List of Acceptable Foods

All items must be single servings and should not require refrigeration.
